Authors

William Gibson

One of the first authors to use or maybe even coin the term *cyberspace*, William Gibson one of the first and most important authors writing cyberpunk books. For off-topic information and works, see [his wikipedia article](#).

His most fashion related works may be the *Blue Ant / Bigend* trilogy, beginning with the novel *Pattern Recognition*.

Fashion connections

In his novel *Pattern Recognition*, he has a character wear a *Buzz Ricksons* MA-1 in a black colorway the jacket was never sold in. So they gave him his own collection including a [black MA-1](#).

In the last book of his *Blue Ant / Bigend* trilogy, *Zero History*, he thanks the founders of Acronym: "Michaela Sachenbacher and Errolson Hugh introduced me to the architecture of a "secret" brand, and the passion behind it."

He owns a lot of Acronym, including [this 3A-1](#) ([2](#)) and this [3a-3TS](#).
